## 3<sup>RD</sup> PRIZE – MICROSOFT SURFACE WITH WINDOWS RT

(\$699 VALUE)

Who says that pretty can't be practical? It's time for a tablet that's more than meets the eye. Powerful processing and beautiful design unite on Surface. Whether you're working hard or hardly working, Surface's integrated Kickstand and revolutionary Touch Cover let you work, play, and connect with others like never before. Plug into external displays like projectors and HDTV, and share your world1. Pre-loaded with Windows RT, Microsoft Office 2013 RT2, Xbox apps, and other essentials.

### PRODUCT FEATURES

#### VAPORMG™ CASING

Made with VaporMg, Surface is precision crafted to be tough yet elegant, without excessive bulk. At less than 1.5 pounds, with a watch-like finish that's incredibly smooth, and durable, Surface is a delight to hold and touch.

#### INTEGRATED KICKSTAND

Integrated Kickstand provides uncompromised support and flexibility. Flip out the Kickstand for hands-free entertainment. Whether you're watching a movie, or shooting video, Surface stands on its own.

#### TOUCH COVER

The cover you can type on. Touch Cover clicks in to Surface in an instant, and offers a sleek, spill-resistant exterior for working – no matter where you find yourself. When folded back, Touch Cover automatically disables keystrokes for a full touchscreen experience; when closed, it turns off your display. Give Surface your personal touch with a color that matches your style.

#### PORTS AND CONNECTIVITY

Bring your entire media collection with you wherever you go. A microSDXC card slot lets you add up to 64 GB of extra storage. Show off everything on the big screen using the HD video out port. Full-size USB port and Bluetooth 4.0 provide clutter-free connections with wireless mice and headsets. Dual 2x2 MIMO antennas provide reliable internet connectivity.

#### WINDOWS RT AND MICROSOFT OFFICE HOME AND STUDENT 2013 RT PREVIEW

Work anywhere, anytime with Windows RT and Office 2013 RT2. Keep tabs on news, friends, and entertainment with pre-loaded Microsoft apps. Visit the Windows Store3 to discover more apps and games.

#### FRONT AND REAR-FACING 720P HD VIDEO CAMERAS

Capture life from all sides with LifeCam. The rear camera is angled to shoot straight ahead when the Kickstand is flipped out. The Kickstand also enables hands-free Skype video chat or recording. Custom lens design and an ambient light sensor maximize light intake while providing sharp focus so you'll never miss a shot.
